

# JFK THAT DAY IN NOVEMBER

## 25 years ago:

The March on Washington.  
The '63 Chevys. The Twist.  
The nuclear test-ban.  
And a burst of gunfire that  
changed everything...

**T**onight, **Tom Brokaw** anchors an NBC News Special that recaptures a lost America—how we looked, whom we loved, what life was like in The Kennedy Years. Remembering the man and his era:
